Death of Little Emily Weeks.

Little Emily Weeks, the infant daughter of Mr. and Mrs. G. C. Weeks, died at their home Monday afternoon, August 7, 1905, aged eight months.

She has been sick for several weeks and everything possible was done for relief, but gradually the little sufferer grew worse until the parting hour when the angels bore her spirit away to be with God in a brighter home in the beautiful Beyond.

The remains were interred in the Baptist cemetery Tuesday afternoon, August 8, 1905, Rev. G. T. Lumpkin conducting the burial exercises, assisted by Rev. W. S. Brooke.

Deep sympathy is felt by their many friends for Mr. and Mrs. Weeks in their sorrow and bereavement.

Tax Books Sold.

There was an unusual occurrence at Halifax Monday. According to previous advertisement the county commissioners caused to be sold to the highest bidder the tax books showing the delinquent tax payers in the county for 1904. The amount of unpaid taxes was \$2,363 and the books representing that amount brought \$194 in cash.

Mr. N. B. Josey bought most of them.

THEY APPEAL TO OUR SYMPATHIES.

The bilious and dyspeptic are constant sufferers and appeal to our sympathies. These tablets invigorate the stomach and liver and strengthen the bowels. For sale by all druggists.

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition, beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

When as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy, The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-root, and the address Binghamton, N. Y., on every bottle.

Of all the Fools in the World, the

GASOLINE ENGINE..

is the biggest when it tries to be.

One reason for this, however, is that the most of the Gasoline Engines have so much

Complicated Machinery, Cogs, Gears, Wheels, Etc., (Equal to a Watch)

You never know where to start to locate any trouble. Not so, however, with our

ELI FOOL PROOF GASOLINE ENGINE

It has fewer parts than any Engine on the market, and when it fails to work just take out the Sparking Plug, which any boy can do in ten seconds; if this is O. K., see that the gasoline is coming in properly, and it is just bound to work.

Another advantage the Eli has over most other Engines, is that all the wearing parts are protected from dust and dirt by an iron casing. If a Gasoline Engine is exposed to dust and dirt its life is necessarily short.

You can see our Eli at work any day in Morrisett Brothers' Suspender Factory. Ask them what they think of it. We guarantee The Eli to work satisfactorily.
